A New Year – A New Start

A common tradition everywhere is to make New Year's RESOLUTIONS, and we at the Beaumont 50+ Club are no exception. Since October, the Board has been fine-tuning plans for a more effective administration of the Club's business. New ideas are being implemented, as you will see in this newsletter, on the Club's Website and our Facebook page.

The Club has come a long way in the last 35 years. This pencil drawing by Sharon Webber showing the building in 1990 hangs in the entrance way – note the tiny spruce trees!!

Let's celebrate this most vibrant Beaumont venue and work together for many more decades to come!

HAPPY NEW YEAR 2022!

On the Lighter Side

As we were walking down the driveway with the garbage cans, I asked my son, “Did you know there’s no official training for garbage collectors?”

Rolling his eyes, he responded, “No, I didn’t know that.” I continued, “Seriously, they just pick it up as they go along!”
