ON THE LIGHTER SIDE:

"The Twelve Days of Christmas" is completely unrealistic. There is no way that you're still accepting gifts from someone after four days of birds.

I don't know who's worse: the people who sign their cats' names on Christmas cards ... OR ... the cats who refuse to sign for themselves!?!

What does the Gingerbread Man use to make his bed?
Cookie sheets.

You know you're getting old, when Santa starts looking younger!
