## Lest We Forget

*"I wonder whether it isn't more crucial now than ever to commemorate Remembrance Day in terms of the original intention of marking the 1918 Armistice— the significance of a cessation of hostilities between nations after a long series of brutal [...] battles."*

- Fiona Tinwei Lam, Canadian writer and editor

**In honour of those who have served our country in this way, 50+ Club members are asked to bring in photos of their loved ones (or themselves) in uniform to display in the hall from the brunch on November 2nd until the Tuesday Lunch on November 11th.**
