Things are Popping at the Club

Speakers' Corner is alive and well. This was Dinah from FCSS and J.M. from Serenity Funeral Service, which, by the way, is a community-owned not-for-profit society. The subject was estate planning. Watch for future sessions.

The net separating the Pickleball court from the rest of the room is a big help. Now, the players can concentrate on the game instead of running after the ball!

Be grateful that no matter how much chocolate you eat, your earrings will still fit.

**WISHING YOU A
HAPPY EASTER**

On the Lighter Side

- Two unicorns had an argument. It was settled when one said, "you've got a point there."
- Why was everyone worried about the small bucket? ... It was a little pail.
- How does a cucumber become a pickle? ... It goes through a jarring experience.
- Why is it that people say they 'slept like a baby' when babies wake up every two hours?
- Whoever said, "out of sight, out of mind" never had a spider disappear in their bedroom.
