The 50+ Club is getting new flooring installed on the north end of the hall during the month of **JUNE**. Many of the activities will be affected in some way, but we are hoping to have most of our events continue with minor adjustments. **THANK YOU in advance for your patience and understanding as we make these improvements to ensure that our building is well kept and updated!**

*Correction to our Thank You shout out last month:
The re-covering of our pillows was done by
Audrey Broderson and a few others
from the Quirky Quilters group.
THANK YOU, again, for such great work!*

ON THE LIGHTER SIDE

These are not grey hairs – they are wisdom highlights!

I used to know a couple who grew fruit trees together. They lived a ripe old age.

Stop thinking of them as “hot flashes”. Think of them as your inner child, playing with matches.

I always wanted to marry “Mrs. Right”. I just didn't know her first name was going to be “Always”.
