On the Road Again – the Bus is Back!!

All the courses have been taken; all the tests have been passed; and all the government paperwork has been completed.

Our beloved 50+ Club Bus is expected to be back on the road starting at the beginning of May.

THANKS is extended to everyone who helped try and get things squared away ... and THANKS, especially, to our members for your understanding and extreme patience as we worked through this process!

ON THE LIGHTER SIDE

What do Alexander the Great and Winnie the Pooh have in common?
They have the same middle name.

You know you're getting older when you have a party, and the neighbours don't even realize it.

The good thing about having a bad memory is that jokes can be funny more than once.

I'm not hard of hearing ... I've just heard enough!
