## Making it Pretty

Club members have always shown pride in their building, and decorating the tables for Sunday Brunch is a time-honoured activity.

These days we have the Dollar Store, but in the past, there were many creative hand-made decorations which, by the way, included the table numbers. Do you remember the set of numbered sleighs for December?

It takes dedicated volunteers not only to bring decorations out of storage, place them on the tables and clear up afterwards, but also to keep the supply of them appropriate and renewed. Matching colours and materials to the season is always a challenge and a joy, and it takes cooperation.

Linda S. and Margi J. are in charge of table decorations at this time, but extra help is always appreciated. Thanks to Rose and Pat for helping to clear away the white and blue decorations that were perfect for the January 2023 Brunch.
