## Darts is here!

Back when St. Vital Seniors Club first started, they played Darts upstairs from the hockey arena at the KNRRC. Now Darts has come to the Beaumont 50+ Club. Members and non-members are welcome to play Friday evenings at 7 p.m. No need to be over 50; no need to have experience. With four new boards and always someone to help with guidelines for playing and scoring, Darts is making new history at the club. Come and join us -- be game!

## Board of Directors 2021-2022

**Can you name these people?** Watch for the answers in next month's Newsletter!

### Membership

The club is always looking for new members. Tell your friends about the benefits!

### Volunteers

Have you seen the binder in which volunteers list their hours? Many grant applications want to know about volunteerism in the Club. They will ask for how the Club promotes or makes use of volunteers. In a matching grant situation, some allow for trade or professional volunteer hours to count as a match. If, for example, the Club was going to undertake a project and the tradespeople volunteered half of the time taken to complete the project, that could count as the matching grant.

### Announcements
