

Still At It ...

As much as we wish it weren't so, the pandemic is still with us after close to two years! Here's a quick reminder of how the current situation is being dealt with here at our Club:

On September 21, the Board passed this motion:

 As mandated by Public Health Order # 43-2021, Bill moved that effective Wednesday, September 22, 2021 the Beaumont 50+ Club adopt the Provincial Restrictions Exemption Program which requires that each person entering the Club must show proof of vaccinations. In addition, the Club will require masks to be worn at all times within the Club unless you are seated and consuming food and/or drink or involved in physical activities. Furthermore, any individual cannot enter the Club if they have any symptoms of Covid. In addition, these steps are being taken:

- Please sign in for possible contact tracing.
- A record of your proof of vaccinations is being kept so you don't have to show it each time.
- Extra sanitization is being carried out.

With Adherence to the Rules, most Club Activities can continue:

A Special Club Event

Thursday, September 30 was Canada's first **National Day for Truth and Reconciliation**, a day to reflect on the effects of Colonialism on our Indigenous Peoples. While much of the history is bleak, it's time to move forward in celebration of the culture, food and stories we can share. In that spirit, Beaumont 50+ Club offered a treat of **Bannock** (regular and dessert), heard some very encouraging words, and enjoyed Harriet's lovely dancing (see it on the Website and Facebook).

Elections, Elections, Elections ...

- Club member **Yash Sharma**, candidate for City of Beaumont Council, will be at the Club on Wednesday, October 6, 9:30 a.m.
- The Club's Board of Directors: RESULTS OF THE October 3rd ELECTIONS will be published in the next Newsletter.

Membership

The Club is proud to announce that we are155 members strong! Tell everyone you know!

Volunteers

Thanks to the many volunteers who keep this Club going. Remember to support them by coming for your morning coffee, to visit with old friends and make new ones, share your stories and enrich your life with those of others.

EVER WONDER ... If we shouldn't eat at night, why is there a light inside the fridge?

Why is 'abbreviated' such a long word?

Why is it that Doctors call what they do 'practice'?

Why is the man who invests all your money called a broker?
