Garage Sale

For at least two months, donations were accepted and piled up in the Club's garage. On the day before the sale, an army of volunteers set up tables and hauled all except for books and tools into main room.

Pricing and sorting went on through the day.

Overall, the sale was another great success.

A big thanks to all the Volunteers!

Membership and Volunteering

There's an old saying, "you get what you pay for." But when you pay for a membership and drop-in fees at this Club, you get much more for your money than you would if this were a business. **The difference lies in the unpaid work done by volunteers.** So far, we've been lucky that people do step up and do their share. **Please help out where you can, to keep it going!**
